Personal Profile

I am self-driven, highly motivated person who always work hard. I am very keen to work in an ever changing dynamic environment and self-motivated to take any challenge. My strengths are inbuilt leadership qualities and ability to take responsibilities. I will constantly challenge myself to exceed expectations and deliver results. And also a good team worker and prefer on self-study.

Objectives

I am willing to apply my knowledge and creativity to obtain personal experience as well as organization goals. I always need to achieve the target up to the best in my own unique way. It is being pleasure if I can face challenges, where I can apply my knowledge, talents, and skills in Software Engineering.
